

# ***XXXVII International Symposium on Multiparticle Dynamics***

Berkeley, August 4 - 9, 2007

## **FIRST ANNOUNCEMENT**

### **XXXVII International Symposium On Multiparticle Dynamics (ISMD 2007)**

The 37<sup>th</sup> meeting of the International Symposium on Multi-particle Dynamics (ISMD) will be held at the Lawrence Berkeley National Laboratory in Berkeley, California, USA, during August 4 – 9, 2007. The scientific program will start on August 5<sup>th</sup> and will end in the afternoon of August 9<sup>th</sup>. The conference webpage is <http://www-rnc.lbl.gov/ISMD/>.

#### **International Advisory Committee:**

A. Bialas (Cracow), J.D. Bjorken, T. Csörgö (Budapest), J. Dias de Deus (Lisboa), I. Dremin (Moscow), K. Fialkowski (Cracow), W. Gary (Riverside), G. Gustafson (Lund), Y. Hama (São Paulo), T. Kodama (Rio de Janeiro), L. Jenkovszky (Kiev), W. Kittel (Nijmegen), L. Liu (Wuhan), L. McLerran (Upton), W. Metzger (Nijmegen), L. Sándor (Kosice), N. Schmitz (Munich), V. Simák (Prague), A. Sissakian (Dubna), H. Stöcker (Frankfurt), F. Wang (Purdue), E. de Wolf (Antwerp), Y. Wu (Wuhan)

#### **Local Organizing Committee:**

D. Cebra (Davis), T. Hallman (Upton, Co-Chair), H.Z. Huang (Los Angeles), V. Koch (Berkeley), R. Pisarski (Upton), G. Roland (Boston), R. Soltz (Livermore), E. Mogavero (Upton, Secretary), H. Takai (Upton), N. Xu (Berkeley, Co-Chair)

## **Topics**

## **Convenors**

Soft Interactions

D. Cebra (Davis)  
S. Soldner-Rembold (Manchester)

Jet Physics

Carlos A. Salgado (Geneva)  
H. Takai (Upton)

Heavy Flavor Production

H. Z. Huang (Los Angeles)  
W. Gary (Riverside)  
C. Bauer\*\* (Berkeley)

Fluctuations and Correlations

S. Padula (São Paulo)  
M. Strickland (Frankfurt)  
R. Soltz (Livermore)  
G. Roland (Boston)

Small-x Physics and Diffraction

A. Stasto (U. Penn)  
Alex Kovner\*\* (Connecticut)

Particle Propagating in  
Dense Matter

I. Dremin (Moscow)  
F. Wang (Purdue)  
J.Y. Jia (Stony Brook)  
Jorge Casalderrey-Solana (Berkeley)

Astroparticle Physics

Hans-Joachim Drescher\*\* (Frankfurt)  
Petra Huentermeyer (Los Alamos)

# ***XXXVII International Symposium on Multiparticle Dynamics***

Berkeley, August 4 - 9, 2007

## **Registration Fee:**

Registration (participant)	\$250	(before June 30)
Late registration (participant)	\$300	(after June 30)

Registration fee covers:

- (1) Welcome reception
- (2) Conference dinner
- (3) Coffee breaks and lunches
- (4) Proceedings and conference services provided by LBNL

## **Accommodation:**

About 60 rooms have been reserved at the Foothill dorms from August 4<sup>th</sup> (checking) to August 10<sup>th</sup> (checking out). From the dorm to conference site is about 10 minutes up-hill walking. The costs are:

\$450 for sharing room + breakfasts & dinners

\$600 for single room + breakfasts & dinners

## **Sponsors:**

Physics Department, Brookhaven National Laboratory  
Nuclear Science Division, Lawrence Berkeley National Laboratory  
US Department of Energy
